Welcome to the first edition of the 2010 "Nutcracker News" newsletter. There are many important items that need your careful attention. This newsletter and attachments contain all the information you need to know for the important deadlines. In the past we have allowed orders for shirts and ads to slip in past the deadlines. **Unfortunately, we cannot accept any ads or orders for shirts after the posted deadlines.** Your cooperation is appreciated. **Don't forget to check the bulletin boards in both studio locations each time you are at rehearsal for the most current information. Check the website as well for updates.**

Order deadline for shirts is NOVEMBER 28th. Sorry, no late orders or reorders can be accepted this year. No extra shirts or pants will be ordered, so don't miss out!

Please watch the bulletin boards for important costume fitting information. Everyone in the show should check the bulletin boards for their time to report to your costume fitting.

No extra DVDs will be produced.** Be sure you place your order for this great performance to share with friends and family for years to come.

Remember: There is no flash photography or videotaping allowed during the shows. It is inappropriate to do this. We encourage you to also remind guests. It is dangerous to the dancers.
