

## 2011 Nutcracker Photos Order Form

Once again we are offering something special for your dancer – Professional photographs. Photos can be taken in TWO costumes only. Sample photos posted are on the bulletin board. Only dancers who are on time and have photos **pre-paid in full** will be photographed. **Photo dates are Sunday November 13 from 10am-2pm and Sunday November 20, between 3pm & 7pm. Sign up schedule will be posted on bulletin board shortly.** Dates and times are subject to change...Please watch for updates.

**Because the costumes need to be ready two full weeks EARLY to accommodate photo days, we need your help.** Everyone is asked to volunteer to assist during one rehearsal session between now and photo day. You don't need to be a sewer (although that would be great). There are jobs that require little skill; if you can glue, you can help. If costumes are not ready by photo day and **if we do not have enough volunteer help, we may need to cancel.** There are over 100 cast members so every extra pair of hands is needed. And it's fun. **"Add" item pricing with package purchases only. You must buy at least one package to qualify.**
