Nunnbetter Dance Theatre is renowned for producing beautiful ballerinas and OVERALL excellent dancers. Our classical training is superb and the number of dancers who have gone to professional careers speaks for itself.

WHO IS THIS FOR?... This summer, NDT will be offering a special Summer Pre-Professional Ballet Intensive for students who are currently in Intermediate Ballet or higher at NDT, or who are 12 or older and who have had the equivalent of 6 years ballet training, are on pointe and looking for an intensive ballet experience. WHY CHOOSE NDT ? ... Many students look at summer programs at various Ballet institutes around the country which can be costly and where your dancer is one of many, often not receiving individual attention.

NDT's Pre-Professional Ballet Intensive is geared to work in-depth with the dancers to advance their technique, performance ability, and prepare them for The Nutcracker and other performance opportunities.

They will receive one on one attention, training and opportunities by teachers who are invested in their growth. They will also have the opportunity to perform* a variation at the end of the session.
